**HOTEL BELLECLAIRE**  
NEW YORK

Broadway at 77<sup>th</sup> St.  
Surface Cars at Door  
Subway at 79<sup>th</sup> St.

Only a few minutes from the Shopping and Theatrical District.

The New Year has started off very well with us—confirming our optimistic predictions concerning 1919 business.

I don't see why everybody should not do a big business, provided everybody realizes the necessity of giving customers 100 cents' worth on every dollar they spend.

So far as this hotel is concerned, it will endeavor to increase the value of its service to its patrons.

If it is possible to buy better food, to cook it better, to serve it better—

If it is possible to keep the nooks and corners cleaner—

If it is possible to be more courteous, more willing to make patrons happier and more comfortable—

If it is possible to give more for the money spent at the hotel—

Then we will do all of these things, but we will have to go some to improve on our food and cooking, which have always been the best—but I do think that we can improve in other directions, and we will.

We will thank everybody to help us with suggestions or criticisms.

Robert D. Blackman, Proprietor.

## Misses' Dotted Swiss Frocks

FROCKS for the Southland are here—airy flimsy things, enchantingly feminine.

Sizes 14 to 20 years.

MODEL No. 49

THE wonder-working looms of France and Switzerland were called upon for the woven dotted Swiss and sheer plain voile that are combined in this adorable frock for the Miss and Small Woman, in orchid, rose, pink, blue and white. For trimming there are graduated bands of dotted Swiss on plain voile on the skirt and blouse, and the most frivolous of lace collars hemstitched in color to match. Last but by no means least is the sash of wide satin ribbon.

MODEL No. 51

WHAT Miss and Small Woman could resist the charms of this most captivating of Frocks, fashioned of imported diaphanous Swiss muslin on which dots of red, blue, lavender or green are woven? Bands of embroidered Swiss trim the long tunic of fine white French voile and the color of the dot is repeated in the soft sash of silken ribbon. A new note is introduced in the three-quarter sleeves of white voile with flaring cuffs of embroidered Swiss, and a collar of tucked voile lace trimmed adds the final touch of daintiness.

CLEAR AS A BELL

## Supreme in Tone!

EXAMINE the Sonora critically. Study the long-running motor, the tone control at the sound source, the convenient envelope filing system, the universal tube for playing all makes of disc records perfectly without extra attachments, the improved sound box, the matchless curved design lines of the cabinet, etc., and you'll see why Sonora is unequalled.

Above all, Sonora's tone quality is what has made it famous, and for this it received the highest score at the Panama-Pacific Exposition.

Choose from our complete and wonderfully handsome line.
