Board of Governors of the Consolidated Stock Exchange

Chief Executive of the Consolidated Stock Exchange. President J. Frank Howell and Secretary J. E. Lynch

THE CONSOLIDATED STOCK EXCHANGE OF NEW YORK
Of the four big Stock Exchanges of the world, New York has two—the Consolidated Stock Exchange, pictured above, located at Broad and Beaver Streets, and the New York Stock Exchange. The volume of business transacted on the Consolidated Exchange exceeds that of all other exchanges in the United States combined, except the New York Stock Exchange.

ONE OF THE FOUR LARGEST STOCK EXCHANGES *in the* WORLD
