London-Made AQUASCUTUM CAPES and TOPCOATS

Accepted by Women of Fashion for
MOTORING STEAMER COUNTRY CLUB
SPORTS TRAVEL RIDING

IN America as in England, Aquascutum apparel is the accepted fashion of smart women.

Smartness has always been the chief characteristic of London-made out-door apparel—a smartness which is unflinching from the selection of the fabrics to the last stitch of the skilled tailoring.

With their easy, breezy style and swinging lines, Aquascutums are recognized everywhere as real English thoroughbreds. Aquascutums are warm without weight—smart in fair weather—indispensable on showery days. The colors range from deep wood-browns to soft grey-greens with dashes and flashes of bright colors, cleverly overlaid, until they are rich and harmonious in effect.
