

Modes for Today's Sportswoman

Fashion decrees that when following one's hobby, whether golf, tennis, or some other sport, one must dress the part, the better to play the game. The renewed interest in sports, the lure of outdoors, and the freedom and delight of sports clothes have inspired the creation of costumes and accessories of much originality and charm for women and misses. We call attention to some of them in this list and also direct your notice to the fact that the prices, as on all Hearn apparel, are lower than at other stores.
