Tone and Sonora
YOU pay for *tone*; get it! You do not buy a phonograph as a piece of furniture, but as an instrument for the accurate reproduction of sound. You are purchasing *tone*. It is for you to see that you secure this. *Tone* to the phonograph is more vital than taste is to food.

THE INSTRUMENT OF QUALITY
Sonora
CLEAR AS A BELL

WINNING the highest score at the Panama-Pacific International Exposition for its magnificent tone, the Sonora is world famous.

You are interested in this remarkable instrument which plays all disc records with a thrilling sweetness and fullness of sound that enables you to enjoy the phonograph as you never have done before.

IT is true that, to the eye, the Sonora models (having unique curved design lines, exclusive with Sonora and typical of the finest furniture) are decidedly handsome, but the real beauty is not external.

You must hear the Sonora. After you have heard it, you will know why it is called The Highest Class Talking Machine in the World.

A superb line of upright and period models is available. Prices \$50 to \$1,000.
