

**HOTEL BELLECLAIRE**  
NEW YORK

Broadway at 77th St.  
Surface Cars at Door  
Subway at 79th St.

Only a few minutes from the Shopping and Theatrical District.

Now, the Belleclaire Golf and Country Club is in full swing and is fully prepared to give the members and their guests that quality of service which one has the right to expect of a club of this exceptional character.

The kitchen is working fine. The golf course is in splendid condition.

The dining-rooms up-stairs and down, because of their close proximity to the kitchen, assure diners of prompt and satisfactory attention.

The formal opening of the Club house and grounds was a success.

The plan adopted of offering prizes for weekly events has been received by members with enthusiasm.

The invitation extended to golf organizations of business men to use the Club house and grounds on days other than holidays, Saturdays and Sundays has been accepted by several organizations already.

You see, Bayside, Long Island, is such a short distance and such a short time from the Pennsylvania 33rd Street Station and it is so short and pleasant a ride by motor that it is about the most accessible place in the metropolitan district for the home of the Belleclaire Golf and Country Club.

Open seven days a week.

Members may introduce by card, as many guests as they wish on days other than holidays, Saturdays and Sundays, but on these days the number of guests must of necessity be limited so as not to interfere with the comfortable playing of members.

Hotel Belleclaire eating, recognized everywhere as good eating, is a feature of the Belleclaire Golf and Country Club, also the courtesies and nice little attentions which prevail at the Belleclaire, prevail at the Club.

Will those interested in obtaining accommodations at the Hotel Belleclaire or in becoming members of the Belleclaire Golf and Country Club, as golfers, or tennis players, or motorists, please write to
