BOOKKEEPING

Complete Course Three Months Two Nights Each Week
Classes afford a practical training without text books or mechanical home study. All work being done in a professional manner under direct supervision, and thorough explanation being given as the work progresses step by step. The elimination of all matters in no way relating to Bookkeeping or Accounting, not only shortens the time for the completion of the course but obviates confusion of the mind. The advantage is that the training deals only with the principles pertaining to Bookkeeping and Elementary Accounting.
