

I Can Tell It Every Time By Its Real Fruit Flavor.

Tasting—the Test that tells the Tale

Orange Tryphosa
To one package of Rich's Tryphosa Orange add one pint boiling water, pour in mould or dish and set aside to congeal. No trouble, no worry. A delicious dessert easily made.

Wild Cherry Sherbet
To one package Rich's Tryphosa Wild Cherry add one quart boiling water—when cool, add juice of three lemons, three tablespoonsful of powdered sugar and freeze in regular way. Any flavor Rich's Tryphosa or Wine Jelly may be substituted for Wild Cherry.

Tryphosa Ice Cream Strawberry
Dissolve one package Rich's Tryphosa Strawberry in just enough boiling water to make a syrup. When cool, add one pint each milk and cream. Freeze in regular way. Any of our flavors may be substituted for Strawberry.

MAKE two dishes of jelly—one from the brand you have been accustomed to using—the other from Rich's Tryphosa. Now, place both dishes before your family and ask them to pick out the one that has the truest fruit flavor. They will select Rich's Tryphosa nine times out of ten, and you, too, will say: "I can tell it every time by its real fruit flavor." So sure are we of your decision that we say

"Make the Test To-morrow at Our Expense"
