

Winter with its chilly winds has no terrors for this group of happy bathers enjoying summer weather on the beach near the Royal Poinciana, Palm Beach, Florida.

"Fore!" and he's off for a good old game on this palm-tree-decked golf course on fair Florida's warm and sunny eastern coast.

The level, grassy perfection of this attractive golf course on the Eastern Florida coast makes putting a pastime of delight.

Golf is also a favorite diversion at Boca Grande, Florida. When the ice is floating in the Hudson this is what's happening down in the golfers' paradise.

The O-HENRY HOTEL
Greensboro, N.C.

All the beauty and pleasures of the southland are not restricted to one area. Greensboro and its environs have a bounteous share.

Travelers to Florida have come to realize the pleasures and restful benefits of breaking their journey at Greensboro. Greensboro, the county seat of Guilford, is a center of historic and literary interest.

A short way from the town was fought the Revolutionary battle of Guilford Court House, in 1781, the scene of which is now a national park of 130 acres.

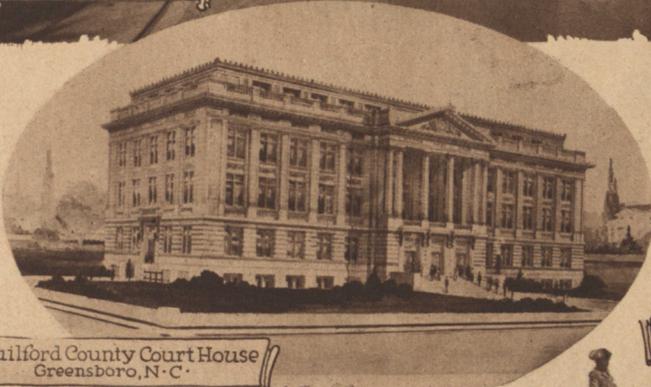

O. Henry was born at Greensboro and it is in his name that one of the finest hotels of the South welcomes the visitor to Greensboro.

The O. Henry Hotel is a modern structure which in point of beauty, comfort and service rivals the hotels of the great metropolitan cities.

A short distance from the hotel is the Country Club, with its magnificent 18 hole golf course, which is always open to tourist visitors.

Smooth, picturesque automobile roads radiate throughout the undulating country surrounding—a paradise to the motorist.

For further information address the Greensboro Chamber of Commerce.
