

The daintiest of debutantes, shopping for a Southern trip, would discover with delight this exquisitely simple week-end frock of turquoise blue 1920 Fan-Ta-Si silk with loops of shaded French blue ribbon.

(Centre) A slip-over Russian blouse and side pleated skirt of Regatta silk makes a charmingly informal morning gown for pretty Miss Palm Beach.

June Elvidge, popular movie star, favors this effective harem skirt and Eton jacket costume done in Kumsi-Kumsi silk. You must have one if you want your Florida wardrobe to be complete.

As with humans, a tiger sure does hate to have a tooth pulled. It took ten men, several iron bars, a coil or two of rope and a pair of extra size pliers recently to extract an aching molar from the bone crushing jaw of Bessie, prize tiger of the Cincinnati Zoo. Here's the operation under way.

The Health of Your Family

Many cases of serious illness have been traced directly to an unsanitary refrigerator. A damp and poorly ventilated refrigerator is a direct invitation to disease. Reputation does not make a good refrigerator, but a good refrigerator makes reputation. That is why the

BOHN SYPHON REFRIGERATOR

is universally acclaimed throughout the civilized world as the highest perfection of the art of refrigeration.

The Bohn keeps as dry as a chip, food flavors and odors do not mix and the food comes out as clean and pure as it went in, and very cold.

Call in person and we will prove all we say. You owe it to your family to take this precaution before buying a refrigerator. If you cannot call, write or phone for a catalogue.
