ARE THE FIRST TO PRESENT ORIGINAL VERSIONS OF THE SOUTHLAND MODE IN

WOMEN'S GOWNS *of* 1920 FAN-TA-SI

FRANKLIN SIMON & CO have developed these gowns for South and Summertime, which owe their exquisite simplicity to the rare decorative quality of the fabric. These are but suggestions of the magnitude of Franklin Simon & Co's collection of feminine fashions in 1920 Fan-ta-si.

107—This coat frock of 1920 Fan-ta-si is fashioned on simple sports-like lines. The silk is two-tone, and the baronet satin ribbon that trims it matches the color of the deeper tone. The waistcoat front is picturesque. 89.50

109—This chemise frock of 1920 Fan-ta-si delicately weighted with silken tassels could hardly be simpler, but for the same reason it could hardly be lovelier, and certainly could hardly be smarter. 79.50

111—Because this lovely frock is of two-tone 1920 Fan-ta-si, the reverse side of the silk is adroitly used to form the long revers. Pointed loops and soft crepe vestee are becoming and add to its smartness. 98.50

These Gowns are Featured in the New Pastel Colorings of 1920 Fan-ta-si

"Standard" SPATS

The "Trimline" Spat and the "Boot Top" Spat, two leading "Standard" Spat styles, are gracefully modelled to cling to the ankle with "tailored-to-order" snugness. They enhance the charm of the dainty foot.

Made in the exclusive "Rautex" fabrics—cloth, linen, silk and satin. White and all the fashionable shades.

Ask for "Standard" Spats at the better shops. The "Standard" Stamp inside the spat assures faultless fit and longest wear.
