**FROM WILLIAM GRAYSON, ESQ.**

DUMFRIES Feby. 8th. 1775.

DR. SIR.

I have receiv'd your favor, and shall punctually attend to the contents; I have givn the Gentlemen notice to pay in their subscriptions to Wm. Carr, which I am confident will be done in a few days and of which I will further inform you at Fairfax Court;

The colours drums &c. have come safe to hand by Capt. Coburn; I shall be oblig'd to you to send the bill of costs, that Mr. Carr who has made a present of them to the company may have an oppertunity of paying for them: We have seen the gun sent from Philada., about which there are different opinions; it is however altogether submitted to you, to have the others made in whatever manner you judge most suitable;

I am with great respect Yr. Most Obedt. Servt. WILLM. GRAYSON
