

Letter from Mabel Hubbard Bell to Alexander Graham Bell, undated, with transcript

Letter from Mrs. Alexander Graham Bell to Dr. Alexander Graham Bell. BEINN BHREAGH,
My dear Alec:

It most broke my heart to leave you. Nothing but my feeling for Mamma would have taken me. Only I wish I were better satisfied about you. I wish you would live on nothing but milk or some liquid food till all the soreness has left you.

I have nothing to say and no time now. Mr. Griffith has been most awfully nice and is staying over I am sure just to see me on the train. I have been writing Daisy about things and now my time is up. Please take care of yourself.
