

Letter from Samuel P. Langley to Alexander Graham Bell, October 23, 1902

2

S File SMITHSONIAN INSTITUTION. *Washington, U.S.A.* . October 23 , 1902. Dear Mr. Bell:

I send you the first proof copy that I have got, of an article concerning which I have taken very great pains, "The Greatest Flying Creature". I hope you will find time to read it, because some of its facts are of special importance to those engaged in the problem of aeronautics.

I am, Most sincerely yours, SP Langley Professor A. Graham Bell, Baddeck, Cape Breton, Nova Scotia. W-P-C
