My dear Mr. Mosftak,

Just after leaving Egypt I wrote you a line asking you kindly to send the newspaper reports : (i.e. the first article in "Al Mokattam", & the one just before the lecture in "Al Ahram", & any others:) & not having had any reply I am now sending you an Easter Card, & all kind wishes, — in the hope that you are well?

I have already begin on the revised Mass, & shall hope to do a little each day until I leave for England.

Will you kindly let me know

if you want to book as you kindly promised; I may then have the 2 pictures from the Anglo-American Bookshop? It has come to me that you might start a small "New Life Movement" publishing-house: beginning with the Mass-book, prices for Piano, Song, Violin etc., & devotional works from various sources, — in Cairo or Heliopolis & Ismailia, a few books would reaching me the other side.

With kindest greetings to you

Yours v. sincerely, in H.
