wonder if they can be thinking If they can be thinking of me There's the
wonder if she can be thinking If she can be thinking of me And

there is that bright chubby brother Who was creeping around on the floor Who
fervently pray to our Father Who rules both the land and the sea That he
wonder if she can be thinking Of her boy o'er the ocean so wide.
cried like his heart was a breaking When I bade farewell at the door.
safely will guide us to harbor And to that dear home will guide me.
