creas-es your girth, Its boo-dle, just boodle, It will
 spend at the springs, With boo-dle, good boodle, You can
 trav-a-gant rates, With boo-dle, good boodle, You can
 so much a piece, Will boo-dle, good boodle, It will

make your ac-count with your bank-er en-large, Your

 get you a char-ter to lay on the street A

bills with your baker and butch-er dis-charge, And find the spon-du-licks for
 scenes on the Nile and the Rhine you can see, To the crown'd heads of Eu-rop'e you'll
 live in Vic-to-ria or in Mon-tre-al, And laugh at grand-ju-ries and
 rail-road with car-house and stock all com-plete, In the sen-ate or con-gress'twill

If the sentence of court should commit you to jail
 For boodle, good boodle,
 E'en the judges themselves will release you on bail,
 For boodle, good boodle,
 If the walls of San Quentin seem dangerously near,
 A good boodle lawyer will make it appear
 What seems to be "criminal" is only just queer,
 For boodle, good boodle.

6.

You can build a fine mansion or buy an estate,
 For boodle, good boodle,
 You can bully the small and hob nob with the great,
 With boodle, good boodle,
 You can give champagne suppers, a concert or ball,
 You will have a strong "pull" at the new city hall,
 And the small and big bosses before you will crawl,
 If you've boodle, just boodle.
