The words of this narcotic lyric are not a bit drowsy, nor is the music lacking in cheery quality. The composer has made a very "takey" song of it. It is especially suitable for encore purposes.

Rosy, Nosy, Posy! A childhood song for grown-ups, to be sung in narrative style; is replete with quaint humor. A very effective setting of droll words; not difficult.

Any of the above songs will be sent direct upon receipt of one-half of the marked price, or can be ordered through any reliable dealer.
