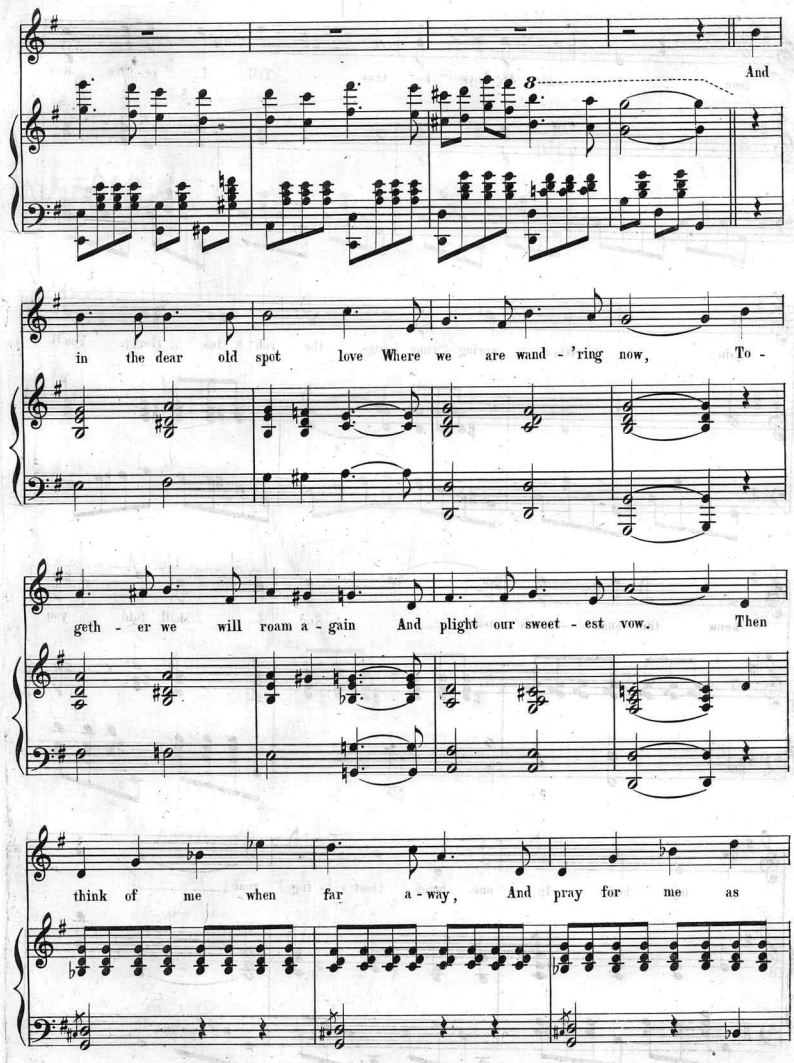
lane. I said "My Love be true Till I re-turn a-
gain. When spring-time brings the rob-ins love, You'll
know the sum--mer's near. And I shall fold you
to my heart In one brief fleet--ing year.



And

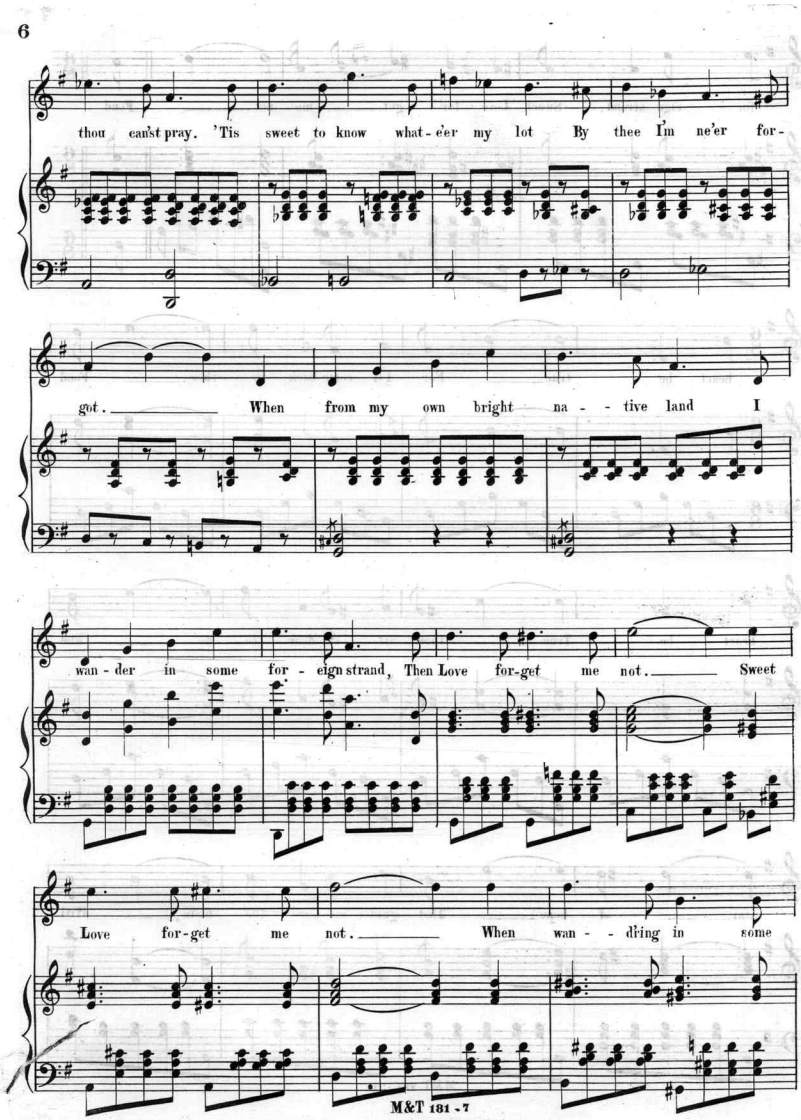
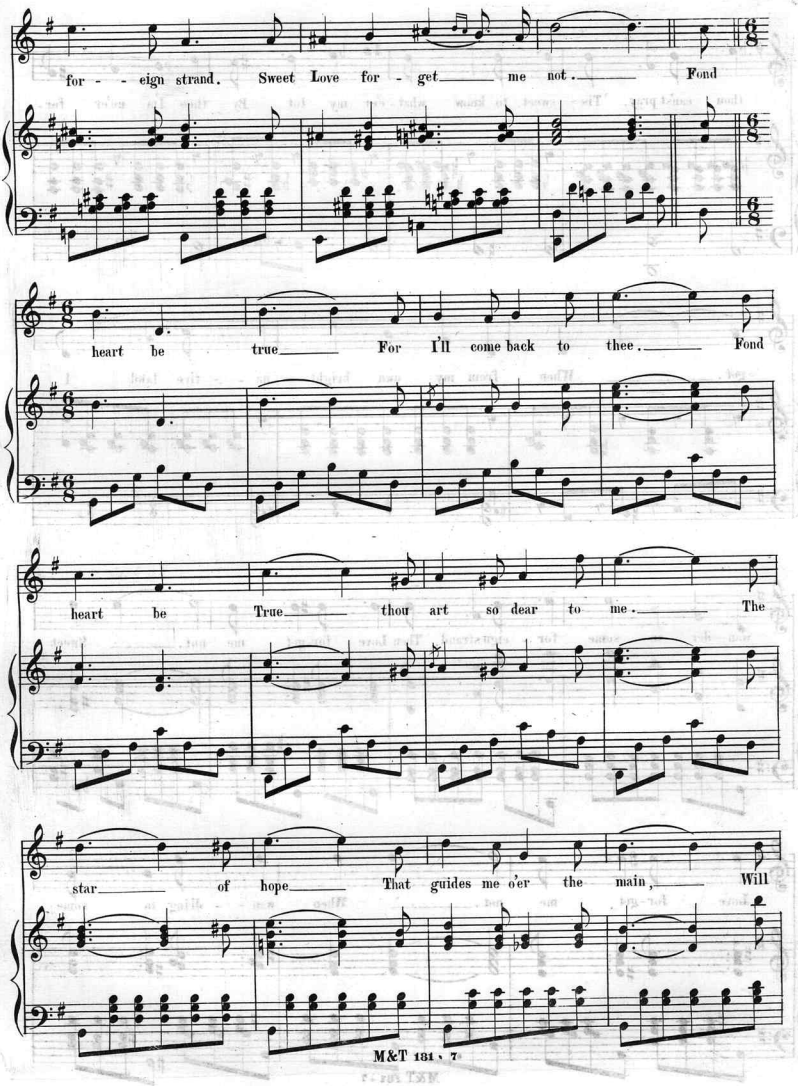
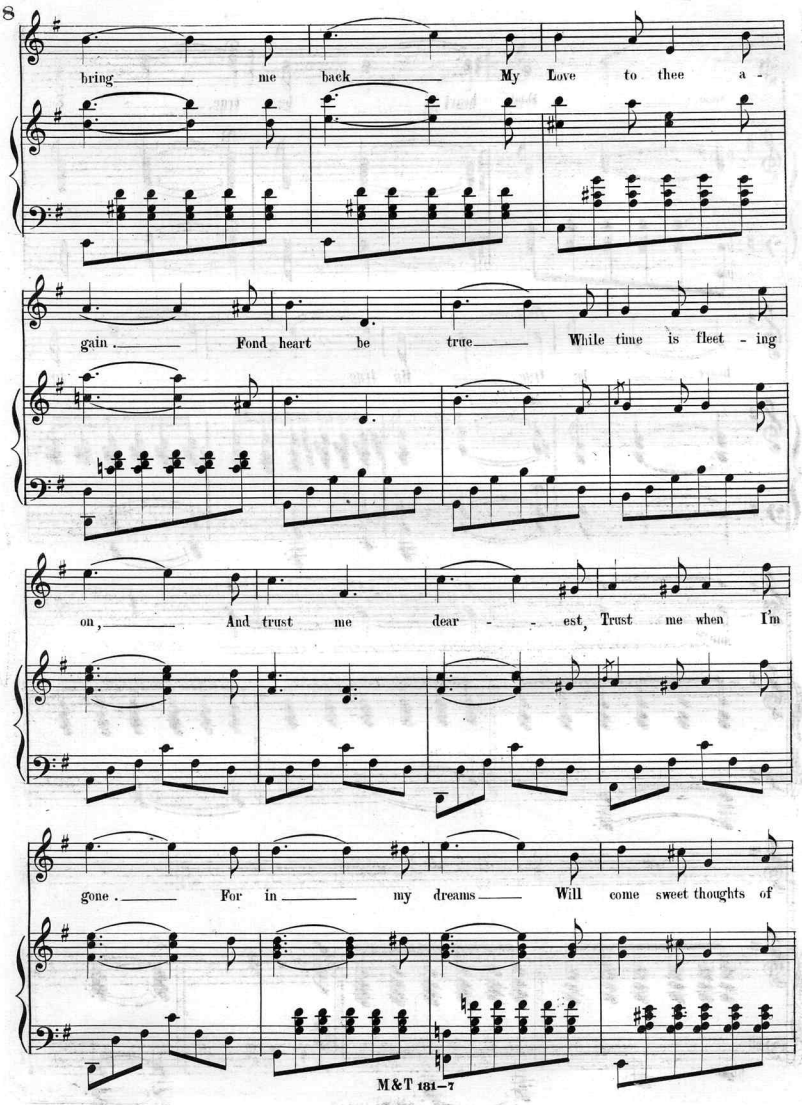
in the dear old spot love Where we are wand - 'ring now, To -
geth - er we will roam a - gain And plight our sweet - est vow. Then
think of me when far a - way, And pray for me as



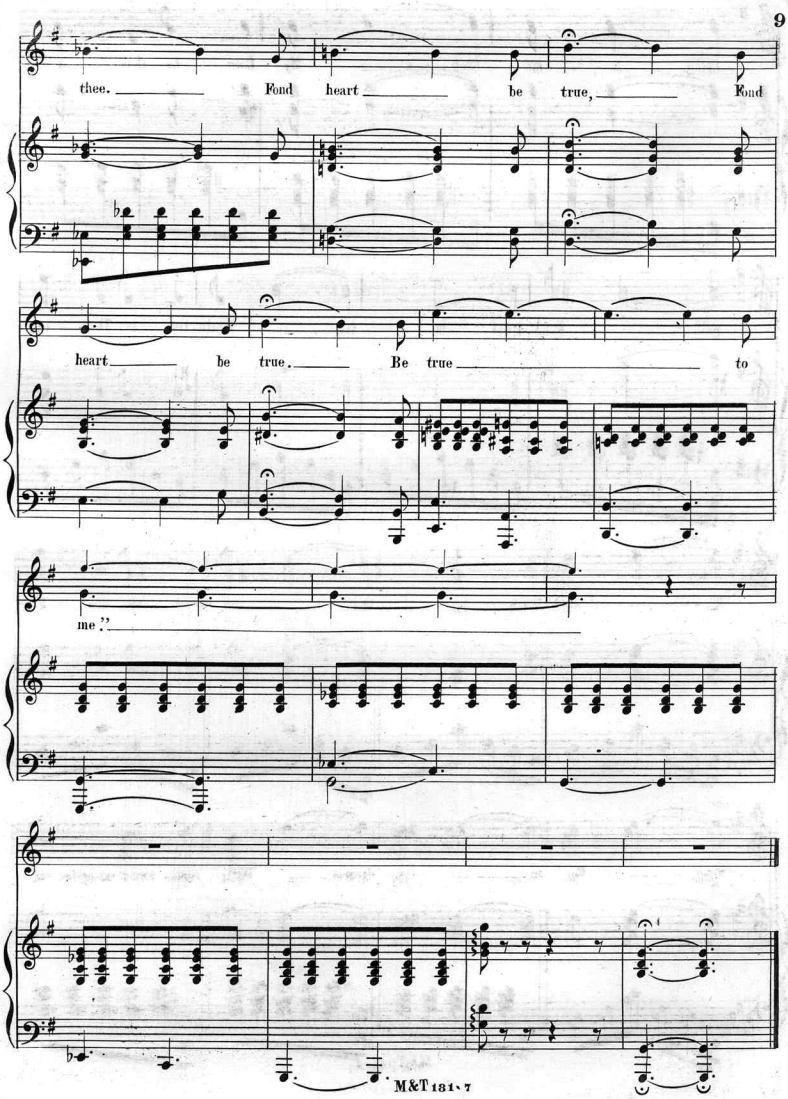
thou can'st pray. 'Tis sweet to know what-e'er my lot By thee I'm ne'er for-
got. When from my own bright na - - tive land I
wan - der in some for - eign strand, Then Love for-get me not. Sweet
Love for-get me not. When wan - - dring in some



for - - eign strand. Sweet Love for - get me not. Fond
heart be true For I'll come back to thee. Fond
heart be True thou art so dear to me. The
star of hope That guides me o'er the main, Will



bring me back My Love to thee a -
gain. Fond heart be true While time is fleet - ing
on, And trust me dear - - est, Trust me when I'm
gone. For in my dreams Will come sweet thoughts of



thee. Fond heart be true, Fond
heart be true. Be true to
me."
