have been retained in the new work; at the suggestion of many of the most successful Teachers, who have used the original work for many years, a large number of more simple and progressive Studies, Exercises and Melodies have been selected and added from the later and more modern works of Plaidy, Concone, Croisez, Heller, Beyer, Bertini, Czerny, Heuten, Clementi, and others, which will enable the student to become familiar with the different styles of these eminent musicians.

Selections have been made from Czerny's celebrated Letters on the Study of Music, which will prove of great value to the student. They are arranged under the following heads, viz.:
