"DANCING WAVES AT ROCKAWAY"

Mazurka.

When the shadows grow long and slender,
On the cliff that o'erhangs the shore,
I love, in the glow of the sunset,
There to list grand old ocean's roar,—

Join the song that goes on for ever,
Watch the waves at their child-like play;
As they dance hand-in-hand o'er the pebbles,
Then recede 'neath a veil of spray. C.O. Clayton.

A. J. Davis.

Allegretto sostenuto.
