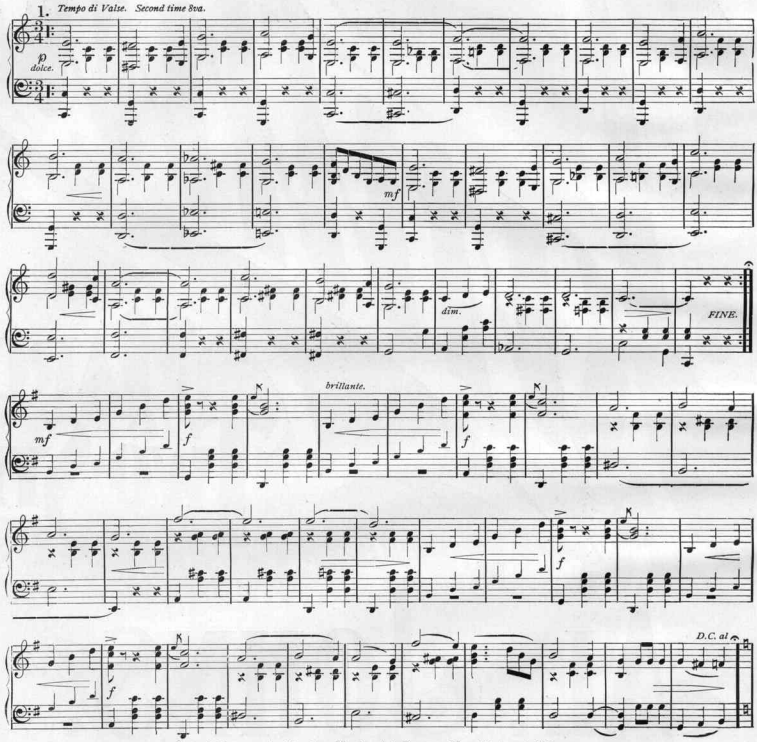
PSYCHE WALTZES

By Fred. Spencer.



Copyright, MCMI, by Howley, Haviland & Dresser, New York and Chicago.

The Psyche Waltz, by Fred Spencer, is one of those dreamy, melodious and catchy waltzes that we all love so well. It is written in a very entrancing style, sure to find favor with anyone who may be fortunate enough to have this piece in their repertoire. We have published a number of good instrumental pieces recently, but none that we can so earnestly recommend to your attention than this piece. It is also classed with our best publications for teaching purposes, being a showy number, yet not too difficult. This can be also obtained for all Mandolin arrangements, and for Orchestra. Price, 50 cents.
