soon the ship will bear him to the shore!      Then won't we make him glad,      And for-  
he is ver - y dear to you and me!      And now we've laid a - way      All the

hundred kisses, too;      So we'll hide the tears that he must nev-er see!      Then  
get that we've been sad;      Yes, we'll show the world how happy we can be!      So,  
griefs we've known to-day;      Let us call them on - ly lit - tle tears of love;      So,

*f rit.*

hush, and don't be cry-ing, Lit-tle girl, little girl,      For he is coming back to you and me!  
hush, and don't be cry-ing, Lit-tle girl, little girl,      For he is coming back to you and me!  
hush, and don't be cry-ing, Lit-tle girl, little girl,      For Papa's safe, with blessings from above.
