## Martha Graham Returns With Two Premieres

Martha Graham and her company will make their first appearance of the current season next Monday evening at the Mansfield Theatre. Two New York premieres will be included in Miss Graham's program, "El Penitente," to music by Louis Horst, Miss Graham's musical director, and "Letter to the World," taken from a poem by Emily Dickenson and set to music by Hunter Johnson. "Every Soul is a Circus," which was heard here last season, will complete the program.
