## Second Program by Miss Graham

---

### Large Audience at Guild Theater Sees Dances.

---

Before a large audience in the Guild Theater last evening Martha Graham offered her second program of entertainment this week. She was assisted by her Dance Group in several of the numbers. Again either Louis Horst, pianist, or a wood-wind and percussion ensemble conducted by him supplied the tonal backgrounds.

Among the selections enjoyed by the enthusiastic gathering were "Lamentations," "American Provincials," "Imperial Gesture," "Heretic" and "Course." Miss Graham saw fit to include in her program also "Frontier," which was received with the usual demonstrative applause.

The company is scheduled to start soon on a transcontinental tour of major cities.
