Miss Helene Lepska
c/o Martha Graham
66 Fifth Avenue
New York City 11

Dear Miss Lepska:

As long as there is a possibility of Miss Graham using the scores and parts in New York this season, I see no point in returning them to us. On the other hand, if it should become obvious that they will not be so used, I should appreciate your sending them back. So you can keep them for the rest of the season still under the proviso, of course, that the composers or their publishers have no objection to our arrangement. I sincerely hope that Miss Graham gets a theatre.

With kindest regards to Miss Graham, Mr. Hawkins and yourself,

Sincerely yours,

Harold Spivacke
