Dear Mr. Hawkins:-

Thank you for your kind letter, enclosing your interesting new folder. It goes without saying that I wish you all success in your new venture, and that it will please me to see you in the Library of Congress whenever such an event becomes possible for the Coolidge Foundation. As you know, these matters are under the direction of Mr. Spivacke to whom I must leave the execution of our budget.

Thank you for telling me about Martha, which news I am delighted to hear. I am hoping soon to have something definite from Chavez, who has accepted my tentative offer, but who has, I think, not yet got into touch with Mr. Spivacke and Martha. Thank you also for your pleasant words about Mr. Kirkpatrick, to whose concerts in Cambridge the week after next I am looking forward with pleasure.

Please believe that I am always

Very cordially yours,
