

VERSE:

THE MOUNTAIN SIDE VILLAGE WAS QUIET
A TINY LIGHT GLOWED HERE AND THERE
BUT SUDDENLY THERE WAS A RIOT
AS TONY RACED HOME FROM THE FAIR
AND HE SHOUTED AND CALLED EVERYWHERE,

CHORUS:

I'M SUCH A LUCKY FELLA
SHOUT FROM THE HILLTOPS ABOVE
CIU CIU BELLA, CIU CIU SI BELLA
THIS TIME I'M REALLY IN LOVE
HOW DID I LIVE WITHOUT HER
I COUNT EACH MOMENT APART
CIU CIU BELLA, LIFE IS SO BELLA
I HOLD THE WORLD IN MY HEART

~~XXXXXXXX~~

REPEAT I COUNT EACH MOMENT APART
I HOLD THE WORLD IN MY HEART

CIU CIU, MY CIU CIU BELLA

SEE HOW THE SUN SHINES TODAY

CIU CIU BELLA, WHERE ARE YOU HIDING

WHY DON'T YOU COME OUT AND PLAY

WHERE MUST I SEEK TO FIND YOU

HOW LONG MUST WE BE APART

CIU CIU BELLA, TIL YOU COME BACK TO ME

I'LL WAIT WITH TEARS IN MY HEART

A SMALL NEOPOLITAN FELLA

LOVED A DONKEY HE CALLED CIU CIU BELLA

BUT CIU CIU WAS STUBBORN & SOMETIMES HE'D HIDE

WHILE THE LITTLE BOY STOOD THERE & CRIED, CALLING

CIU CIU, MY CIU CIU BELLA

SEE HOW THE SUN SHINES TODAY

CIU CIU BELLA, WHERE ARE YOU HIDING

WHY DON'T YOU COME OUT AND PLAY

WHERE MUST I SEEK TO FIND YOU

HOW LONG MUST WE BE APART

CIU CIU BELLA, TIL YOU COME BACK TO ME

I'LL WAIT WITH TEARS IN MY HEART

HOW LONG MUST WE BE APART

I'LL WAIT WITH TEARS IN MY HEART

RECEIVED

FORM - 6 (REV. 10-27-55)

Once in the country near Napoli
Lived a lonely and sweet little fella
Who gave all his heart very happily
To a donkey he called Ciuciubella

Mostly they'd play just as gay as you please
But Ciuciubella they say was a terrible tease
And sometimes he'd stubbornly hide
While the little boy stood there and cried.

CHO:

Ciuciubella, my ciuciubella
See how the sun shines today
Ciuciubella, where are you hiding
Why won't you come out and play?
Where must I seek to find you
How long must we be apart
Ciuciubella, til you come back to me,
I'll wait with tears in my heart.

How long must ~~we~~ we be apart?
I'll wait with tears in my heart.

Kidd, Christine

Now is the time for parting
Dawn shows its grayly light
Choo Choo Bella until tomorrow

Parting is such sweet sweet sorrow

If I live in sorrow
Why must we part in sorrow
Surely we must meet again
Choo Choo Bella what of tomorrow
Will you return to us then

Sadly
Tof my tears by moonlight
Fall on my lonely guitar
Choo Choo Bella why do you pine tonight
Further from us than a star

Tell us how much she loves us
Tell us again & again
Choo Choo Bella

Good are the times

Must we go round round
Cui Cui Bella why must you take your time
What if she would wait for us

Why is the path so winding
Steeper than ever before

Cui Cui Bella you've never gone so slow
My love may fasten her door
See my bouquet is wilting
Slowly my courage it goes
Cui Cui Bella

Our lover a tarantula

Shout from the hill tops above

Cui Cui Bella: this is amore ^{quanto}

this time I'm really in love ^{si bello}

I met her just this morning

But I'm as sure as can be

Cui Cui Bella like in a story

this is the one girl for me

the ar have
more pollen
I see as sure as
can be

Da

See how the sun is smiling
at being the window saying
Cien cen be

Softly we glide by moonlight
Mondoluis play from afar
Choo choo Bella this night was made for
you

Showing how lovely you are
Tiny the hand I'm holding
But it holds all of my heart
Choo choo Bella
