

Love us again Love us again ✓

Want us again Hold us again ✓

~~Bring back the~~

Whisper the words I have prayed for ✓

Love us again } want us again ✓

Hold us again } need us again ✓

Beck in the arms you were made for ✓

We'll be a flame that will always burn

Our love our love is eternal

Our kind of love is eternal

I know that when } Please know I know

you know it then } as you know it here

Where each kiss was heaven beyond compare

How could you ever stop caring

I'll never ask why you went or where

(if only) you hadn't stopped caring

no matter why

no matter when

Just love us, please love us again

Let me ask
what I long for

I can't wait
to adore you

more than before

I need to adore

when you

will love me

again

Just say
so

LOVE ME AGAIN

LOVE ME AGAIN! LOVE ME AGAIN!

BRING BACK THE THRILL I HAVE PRAYED FOR

LOVE ME AGAIN! NEED ME AGAIN!

BRING BACK THE ARMS I WAS MADE FOR (alternate)
COME TO THE ARMS YOU WERE MADE FOR

LIPS THAT I TRY KNOW THAT I LIE

MY HEART KEEPS REMEMBERING WHEN

I CAN'T LIVE LIKE THIS

ON THE GHOST OF YOUR KISS

SO LOVE ME, PLEASE LOVE ME AGAIN!

LOVE ME AGAIN, LOVE ME AGAIN
BRING BACK THE THRILL I HAVE PRAYED FOR
WANT ME AGAIN, NEED ME AGAIN
BRING BACK THE ARMS I WAS MADE FOR
OTHERS HAVE TRIED TO REPLACE YOUR LOVE
BUT NO OTHER LIPS CAN ERASE YOUR LOVE, SO
CLING TO ME NOW THE WAY YOU DID THEN
AND LOVE ME PLEASE LOVE ME AGAIN

LOVE ME AGAIN! LOVE ME AGAIN!
BRING BACK THE THRILL I HAVE PRAYED FOR
WANT ME AGAIN! NEED ME AGAIN!
BRING BACK THE ARMS I WAS MADE FOR

Love me Again, Love Me Again
Bring Back the thrill I have prayed for
Want Me Again, Need me again
Come fill the arms you were made for

Others have tried to replace your kiss
But no other lips can erase your kiss

Love me again, love me again
Bring back the thrill I have prayed for
Want me again, need me again
Come fill the arms you were made for

Love me again, Love me again
Bring back the thrill I have prayed for
Want me again, Need me again
Bring back the arms I was made for
Others ~~may~~ have tried to erase your love
But no other lips
Others have tried to replace your love
But no other lips can erase your love so

cling to me now as you did then
And love me Please love me again

love me again lob
