Dear Danny:

It is my great honor and privilege to be able to send to you the enclosed citation of honor from the Air Force Association, in behalf of the men of the U. S. Air Forces. This is in recognition of your outstanding services to the nation from the morale standpoint in the overseas entertainment work you did so well during World War II.

I was most pleased when the Screen Actors Guild was asked to see that you received this award, for I feel that it is a well-deserved tribute to you, and I know what a wonderful contribution your work represented.

Please accept my warmest congratulations and best personal regards.

Sincerely yours,

Ronald Reagan
