Dear Bob:

As you may know, one of the most successful branches of the US Committee lies in the Greater Philadelphia area. I had a telephone call today from Miss Gertrude Ely, who would like very much to give a luncheon in Danny's honor some time in the period from January 1 through March 30.

I don't know at all Danny's schedule nor do I feel that this annual meeting is something we would want to press him on attending. I would, however, appreciate word from you one way or the other.

We are getting some very interesting reaction to "The Secret Life of Danny Kaye". In Moscow it was introduced to the Russian public by the head of the Russian Red Cross. The Scandinavian press was delirious about it.

Sincerely,

Pat
