Mr. Danny Kaye  
Danny Kaye Show

Dear Danny:

I wish to express my gratitude to you and your associates for the grand work you are doing in entertaining the troops in Korea, and more particularly your outstanding performance for the men of this Division. By personal contact you have become familiar with the difficult conditions faced by our troops, and you may be sure that your appearances have done much to improve the morale of all our personnel.

It has been a real pleasure to have you and your associates with us. We have found Miss Monica Lewis entirely charming, and Miss June Brunner the same sparkling personality as during her previous visit. Mr. Sam Prager has been a capable and welcome member of your group.

We wish you continued success in your Korean tour, and in your career in the entertainment field. You have typified for us the slogan, "There's No Business Like Show Business".

Sincerely yours,

C. B. FERRENBAGH
