Dear Herb,

I am writing to inform you that we have been in touch with the American Embassy concerning the Danny Kaye concert. The ambassador, Mr. John Gunther Dean, would be delighted to arrange a kind of "after-concert-get-together" that means something on the evening of 17th November after the concert. Mr. Dean would like to invite some 40 people - we do not know whom - and I have promised to ask you whether Danny Kaye would agree to such an arrangement?

It was very nice to meet you here in Copenhagen and we are all looking forward to seeing you and Danny Kaye in November.

I guess you will be satisfied by knowing that the sale of tickets is going on extremely well.

Hoping to have your answer soon,

kindest regards
Sincerely Yours

Lilly Holtet
