Dear Mr. Kaye:

I am writing you just to tell you how much we are looking forward to seeing you at the Nobel festivities in December.

I hope you will attend the reception on December 9, for the Nobel laureates of 1974. The reception will be at the Museum of Far Eastern Antiquities between 3.30-5.00 p.m. and will be combined with a preview of the von Bekesy Collection that was given to the Foundation two years ago by the late Dr. Georg von Bekesy, Nobel Prize in Medicine 1961.

On December 10, we have the prize awarding ceremony in the Stockholm Concert Hall, beginning at 4.30 p.m. and with the following banquet in the City Hall at 6.45 p.m.

On December 11, H.M. the King will give his traditional dinner for the laureates and special guests in the Royal Palace.

I would appreciate to hear from you as soon as possible whether your schedule makes it possible for you to attend all the occasions mentioned above.

Yours sincerely,

Stig Ramel
