Dear Danny Kaye:

The children at Partridge School were disappointed that you were unable to get to visit them on Monday and are eagerly looking forward to meeting you this coming Thursday, July 5, at 2:00 P. M.

We are sending a car for you to the Woodner Hotel at 1:00 on Thursday. Perhaps your wife and little daughter might like to come also. Tell them we are on a large modern dairy farm with the Blue Ridge Mountains in the distance.

Sincerely,

Miriam Speck  
Director  
The Partridge School
