

ASSISTANT SECRETARY OF STATE
WASHINGTON

August 1, 1956

Dear Mrs. Kaye,

Things have been happening so fast I have an opportunity only now to let you know how much I appreciate your thoughtful letter of July 13. Danny did a superb job with the Senate Committee. I wish we could get him to work on a number of problems we have.

As you may know, I'm off to Athens soon. If you and Danny are ever in that area, be certain to let us know.

Best regards to you both.

Sincerely,

George V. Allen
