Dear Mrs. Kaye,

I am pleased to report that the Danny Kaye Memorial Fund has raised over \$207,000 since its inception nearly two years ago. That so much money has been received, is a reflection of the deep love we all have for him.

As you may know, the funds have been used to support the education and information work of the the U.S. Committee in the United States, as well as help fund the UNICEF-assisted projects around the world which have been "adopted" by the U.S. Committee.

We are so grateful for all of the work Danny did for us in his lifetime, and are honored to remember him in this way.

I would enjoy meeting with you to discuss future initiatives we might undertake to commemorate his life and raise significant funds to help the children of the world he loved so much. I will phone you sometime in the next few weeks to arrange a meeting at a convenient time.

In the meanwhile, if you should need any additional information, please do not hesitate to contact me directly.

With best wishes.

Sincerely,
