Dear Sylvia,

Many people have commented to us very favorably about the Memorial Tribute to Danny and I trust you were also satisfied. Thank you so much for letting us work on this beautiful project. It has brought back so many memories which will live on for years to come.

We made a copy of the TV reports, but the quality is not very good since it was recorded in private homes. Maybe you have received such a report already in which case you can just forget about this one.

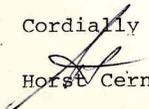

I was told by UN-TV that Suzanne had received a copy of the TV coverage. Please let me know if there is anything else you need from the UN. We will, of course, send you photos once we receive them.

Enclosed herewith are also some letters we received and the copy of the telex from Nancy Reagan. By the way, could Suzanne please send us a copy of Kissinger's telex? We didn't have a chance to copy it.

I hope you are in good spirits and I want to wish you continued improvement and strength.

With warm regards.

Cordially yours,

Horst Cerni.
