Dear Sylvia,

Estelle and I have been thinking of you, talking about you and how difficult it must be for you right now. I only met and got to know Danny during his mellower years, and I'm thankful that we got to know you both. You are a strong and good person and I know you and Dena will come through this very trying time.

Love from Estelle and myself, and we hope we'll be seeing each other soon.

Carl
