Dear Mr. Kaye:

The Directors of the Toronto Symphony, at its meeting yesterday afternoon, asked me to convey formally to you our grateful appreciation of your outstanding services on Monday of this week.

Your show was unique in Toronto's musical history. Apart from the important amount of money raised for a good cause, it has made many new friends for music in this community.

The reception at the City Hall has been frequently referred to as one of the best parties ever held here. That this is so is due mainly to your making the effort at the end of a most strenuous day to meet all the guests.

Not least of the evening's many good by-products was the stimulation and enjoyment the performance brought to the members of the Orchestra itself.

You have had many friends and admirers in Toronto; the number is vastly increased as a result of your visit. Personally, and on behalf of the Board and the Orchestra, I say a heartfelt "thank you".

Yours very sincerely,

Mr. Danny Kaye, President,
