Mrs. Danny Kaye

Dear Mrs. Kaye:

I am sorry I haven't gotten to you earlier about the material you sent me concerning the danger of radiation. I wanted to look at it seriously and was not able to do so because of my heavy traveling schedule outside of Washington. The work you have done is of tremendous help. It convinces me that this is a serious problem and one that should be mentioned in the upcoming campaign.

Dan Lewis, my chief legislative assistant, mentioned to me that he spoke to you about the material. It is being given to members of my staff who will use it to develop material and speeches for my campaign. You have been of inestimable help.

With best wishes, I am

Sincerely,

Edmund S. Muskie
United States Senator
