FOR JANUARY 3rd, 1978

Sylvo and Danno dears:-

Bonnie's and my apologies for being late with this note this time. We cannot hang this one on the Post Office; the fault is our own, but extraordinary pressures have made our tardiness unavoidable.

Our heartiest, though belated, Anniversary congratulations. We hope that the Day was an especially happy one for you, and we pray that the year to come and the dozens to follow will be filled with joy, reward, fulfillment and contentment.

We continue to miss the former Kaye/Green togetherness; and we hope, now that the completion of my new Symphony has released me from my three year score paper imprisonment, that the time to come will offer opportunities for some making up of lost time in that department.

Meanwhile, our restated congratulations and, as always,

Much love,

A handwritten signature in black ink that reads "Johnny".
