Dear Danny:

I am in love with you all over again! I will never forget my three days in Salt Lake City with you and I am having difficulty reverting to my normal daily routine.

Everyone I have spoken with is still raving about you and your performance with the Utah Symphony Saturday night and with the charm you exuded all during your stay in Salt Lake City. The Symphony people told me this was by far the best event they have had in their city -- better even than the last time you were there in 1979!

Attached are the reviews from the Deseret News and the Salt Lake Tribune along with other newspaper breaks, some of which you may have already seen.

When are we going to Athens?

Fondly,

Sonia
