Dear Danny:

While we know you are with us spiritually, you were also with us physically - almost. Since the beginning of the war, Israel television has been broadcasting throughout the day, and yesterday morning's Succoths holiday fare had "Hans Christian Anderson." It gave both children and adults a necessary lift.

I trust this finds you well and hope that by the time this reaches you, there will be only good tidings from this part of the world.

Yours,

Teddy Kollek
