fol - low our star, spang-led ban - ner a - far, as thou dost lead the way.
fol - low our star, spang-led ban - ner a - far, as thou dost lead the way.
fol - low our star, spang-led ban - ner a - far, as thou dost lead the way.
CHORUS
Let brooks and hills and trees re-joice, let birds take up the strain, Col -
um - bia's rays have pierced a - far and brok - en ty - rant's reign. May
Free - dom be thy mis - sion still, till all the earth shall say "We'll
fol - low the star, spang-led ban - ner afar, as thou dost lead the way.
