2nd Verse

Our flag when danger threatens, inducts each
lad every night.
The high, - inspired to do or die! -
The bold, - with patriotic glow? -
At bay, - stands grim old U.S.A. - Forevermore

3rd Verse

Our flag - the foe of bondage, wears clear to
the oppressed.
The weak, - wisdom and courage seek:
The strong are moved to right the wrong.
We see, I pray, dawn of liberty! - Forevermore
