WHEN I COME BACK TO YOU LOVE OF MY HEART

WORDS AND MUSIC BY
BARBARA BELL AND MOWRY BELL

When the day is end-ed and the stars are bright a-bove me; When the wind is wear-y and has
Ah, the wear-y time it is since last I saw my true-love! Days are weeks and months are years with

dwin-dled to a sigh. Then spec-ial-ly I think of you and won-der if you love me -
loved ones far-a-way. Man-y are the girls I've met, but nev-er one like you, love,

Refrain

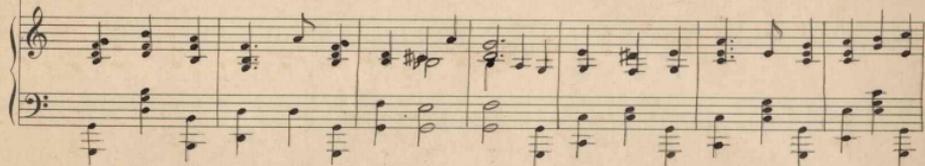

Love me as you did in days gone by,
None like you I long for day by day!

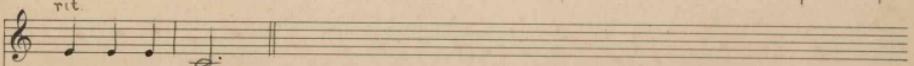

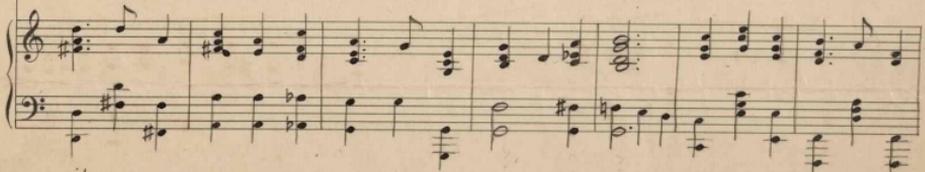

When I come back to you, Love of my heart,

Shall we our vows re-new, Nev-er to part? Are your eyes just as blue, Is your love

still as true As when I said a-dieu, Hat-ing to start, There at our ren-dez-vous,

Love of my heart?
