Voice

It breaks my heart dear to leave you, Sweetheart you must not cry,
A ship is out in the har-bor, It sails a-way to day,

Our Un- cle Sam- my needs me, And we must say good bye
I've come to say good- bye dear, Be- fore you sail a- way

Hear how the bu- gle is call- ing It calls me to the flag
Hear how the bu- gle is call- ing I know it calls for you Now

know you will not lag With your lit- tle knit- ting bag Kaiser Bill we will sure get you (the crown Prince too)
when you are a- way In the thickest of the fray Just remem- ber that I'm true blue (and strong for you)
