I'll always love the dear old Yankee Flag.

A standing 'round in the Public Square,
Was a bunch of boys going over there.
They had answered to the Nation's call,
To fight for the flag tho they may fall.
When it came time for them to go
To sail to meet the foe.
They said they'd shout over there.

Chorus.

I'm a Yankee Doodle Doo,
From Yankee Doodle Land.
And I'll always love the dear old Yankee Flag.
We came over here to fight,
And we'll straighten out things right,
For dear old Uncle Sam.
And we'll soon beat up the Hun,
And we'll set them on the run.
For the Sake of the Red, White and Blue.

2.

And when they reached the other side,
They landed there with one big stride.
For their motto was Berlin or Bust,
Our men are strong, our guns won't rust.
For all that came just had to go
To sweep away the foe.
And marching they would sing.
