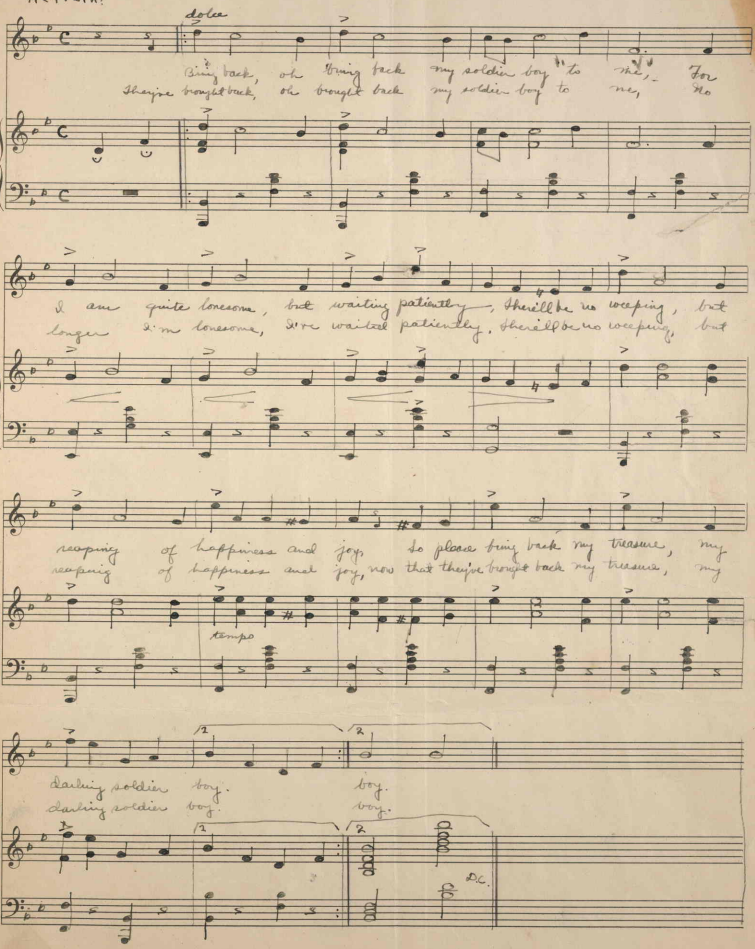
Refrain:



dolce
Bring back, oh bring back my soldier boy to me, For
She's he brought back, oh brought back my soldier boy to me, No
I am quite lonesome, but waiting patiently, There'll be no weeping, but
longer I'm lonesome, I've waited patiently, There'll be no weeping, but
reaping of happiness and joy, so please bring back my treasure, my
reaping of happiness and joy, now that they've brought back my treasure, my
tempo

Bring Back My Soldier Boy To Me

3. You boy and mine were called in line to fight for liberty
They said goodby, with spirits high, they fought for you and me
Now war has ceased, we live in peace, these words are floating 'cross the foam,
Buy Bonds, Buy Bonds for Victory and bring us quickly home.

Refrain:
Bring Back, oh Bring Back our boys across the sea
~~For we are quite content~~ but waiting patiently
~~Let's all be~~ true royal, be loyal be glad to do our share
~~Buy~~ Buy Bonds for freedom, to take 'em back home from over there.

4. ~~The clouds~~ of war will roll no more, time shines a brighter day
The tears of sorrow are over, the call is now 'be gay'.
They'll soon be back each Bill and Jack
But first we all must do our bit
Buy Bonds Buy Bonds for Victory
Then Kaiser'll have a fit.
